MAINTENANCE ORGANISATION APPROVAL CERTIFICATE

REFERENCE: AIR 001

Pursuant to the Bhutan Air Navigation Regulations for the time being in force, and subject to the conditions specified below, the Bhutan Civil Aviation Authority hereby certifies:

**Engineering & Maintenance Division,
 Drukair Corporation Ltd,
 Paro International Airport
 Paro: Bhutan**

As a maintenance organisation in compliance with BCAR 145, approved to maintain the products, parts and appliances listed in the attached approval schedule and issue related certificates of release to service using the above reference.

CONDITIONS:

1. This approval is limited to that specified in the scope of approval section of the approved maintenance organisation exposition as referred to in BCAR-145, and
2. This approval requires compliance with the procedures specified in the approved maintenance organisation exposition, and
3. This approval is valid whilst the Bhutan BCAR-145 approved maintenance organisation remains in compliance with BCAR-145.
4. Subject to compliance with the foregoing conditions, this approval shall remain valid until any specified date of expiry unless the approval has previously been surrendered, superseded, suspended or revoked.

Date of issue: **30 October 2017**

Date of expiry: **29 October 2018**

Date of attached Schedule of Approval: **30 October 2017**

Signed:
 For the Bhutan Civil Aviation Authority
