Sub: Guidance on Resumption of Scheduled Flights

Dear Sir (s),

In view of the International Travel on scheduled commercial flights and Air Transport Bubble arrangement, BCAA hereby issue Guidance on Resumptions of Scheduled Flights (*Annexure 01*) with the directions of strict implementation. Amidst the COVID-19 outbreak escalating worldwide, BCAA would like to inform the Operators that the international flights have to ensure and abide by the guidelines put in place for further precautionary measures to limit the risk from COVID-19 pose to Bhutan. In addition, kindly refer to the following Guidelines which will take you through in detail during this pandemic.

Therefore, given the evolving situation, BCAA would like to urge Operators to remain vigilant and continue to play part in controlling COVID-19. BCAA will continue to monitor the situation closely, and will implement further measures should the situation escalate.

Thanking you for your kind support and cooperation always.

Best regards,

Sincerely yours,

(Kinley Wangchuk)
Director
