1st September 2022

Advisory Circular

Sub: Applicant's obligation to bear expenses for the certification audit in location other than Authority's working station

In the exercise of the provision of Bhutan Air Navigation Regulations (BANRs) 2021, this is to bring to your kind attention that as per Chapter 12, clause 12.2.3 of the BANRs 2021, the applicant shall bear the full travel cost and daily subsistence allowance for the officials whom the BCAA may have to engage to perform any work in location other than in which he/she is normally stationed in connection with any other functions relating to the application.

Therefore, for the purpose of conducting the initial certification audit in a location other than the BCAA working station, the applicant/organization has to bear the full travel cost and daily subsistence allowance for the BCAA officials engaged in conducting the audit. BCAA doesn't have any allocated budget for such activities. The daily subsistence allowance/per diem shall be borne by the applicant/organization as per the approved rate of the Government.

This Advisory Circular shall come into force with immediate effect.
